## Equipment Rental

We have a large range of lighting and accessories for photography and filming videos. We have Profoto and Broncolor lighting and modifiers for photography and Aputure, Arri lighting for continuous lighting.

We also have wide range of grip equipment such as, 12x12 frame, diffusers, 12x12 grid, 8x8 grid, 4x4 trace frames, wind up stands, c-stands and many many more.

If there is specific kit you are after, don't hesitate to contact us.

## Infinity Cove

We provide fresh coat of paint for all our booking. Everytime you use the studio, the cove is always freshly painted to white.

If you would like the cove to be painted to your choice of colour, we provide this service as well. Let us know if you are looking to get the cove painted to your choice of colour.

## Catering

External catering only. Studio has details of many external catering companies should you require catering, please let us know we will happily provide contact details of the catering companies.

## Parking

There are 6 parking spaces available for the client to use in front of our studio.

Our studio is also accessible by public transport – 5 minutes walking distance from Greenwich DLR / Greenwich Station.

## Blackout Studio

Our blackout studio space is 360 degree blackout including the black flooring.

You can change from the white infinity cove to blackout within minutes.

## Green Screen Studio

Our green screen studio space is pre-lit including the green flooring.

You can change from the white infinity cove to blackout to green screen within minutes.
